

Order Your Christmas Trees

Beat the Grinch This Year!

Mother Nature gives Austin a surprise each Christmas: will it be freezing, or will it be warm enough to grill in the back yard?

Regardless of the weather, our BV/S homeowners come together to deliver Christmas trees to our neighbors. Kids, friends, brothers and sisters, moms and dads all come together to help bring Christmas a little closer for each other. It's like we are a community!

We (the HOA Board) want to make sure our neighbors have one less thing to worry about as Thanksgiving and Christmas sneak up on us. Our homeowners should have a fresh Christmas tree without the hardship of fighting traffic and crowds in a parking lot somewhere.

The HOA Board starts this process in June each year, and the hand-picked trees from the Brown Family Tree Farm in Pennsylvania will arrive in two weeks. [Follow the link to order your tree today \(\\$50 HOA member - \\$60 non-HOA Member\).](#)

The HOA has arranged for your tree to be delivered right to your front yard. New neighbors can meet old neighbors and volunteer to unload and deliver the trees. It is a great family activity. [Follow the link to email Jason Lee for more information about volunteering.](#)
